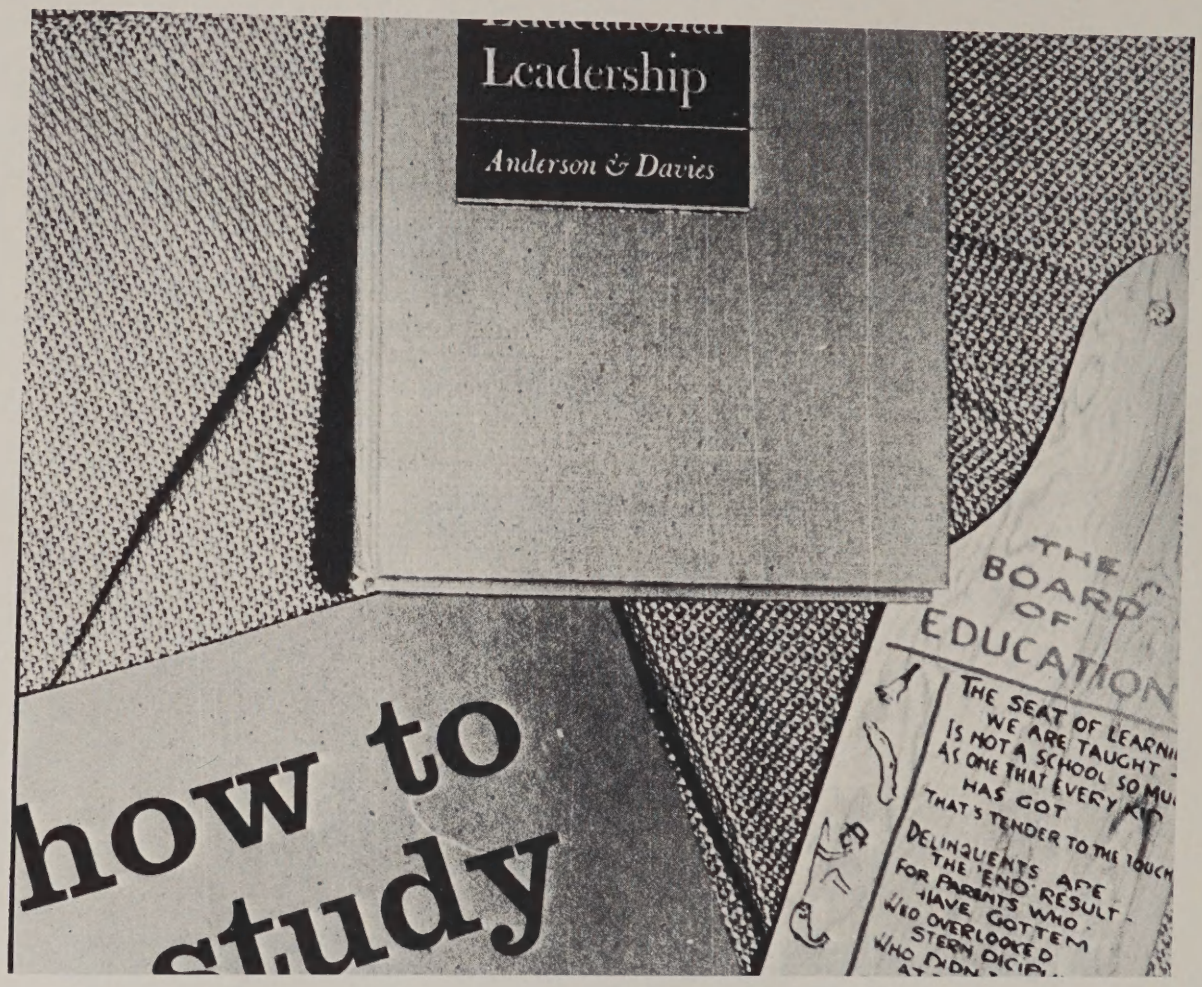
DEDICATION



We the class of nineteen-hundred and sixty seven, dedicate this, Center School's last Memoria, to all the students, faculty, and administrators who have been connected with Center School. The dear school will no longer exist, but its memory shall linger in many minds. The school has given us many educational and enjoyable experiences. Let us give our thanks to all who have made these experiences possible. This yearbook has been published in an effort to reunite all the many happenings of Center with those people who have been connected with it. . . .

HIGHLIGHTS OF THE HARDWOOD

Basketball history was made Saturday afternoon, February 28 when ten courageous lads from the hills of Perry Township took the floor against Muncie's famous Bearcats. Given not even the ghost of a chance and expected to bow easily before the strength and prestige of a favored Bearcat crew, our fighting Spartans humbled Central's Bearcat warriors by a score of 29-27. Leon Hodson, Wally Felton, Dick Clevenger, Dick Felton, Dean Twining, and Glen Fuller wrote into the record a story of heart warming courage and cool headed determination that brought to Center a glorious victory.

In the final game of the sectional against giant, powerful Burris, our gallant basketeers won the hearts of the huge field house crowd. Right down to the closing minutes our boys remained in threatening position. With the score 25-21 and slightly over two minutes remaining superior height and longer rest decided the contest in Burris' favor.

Activities

STARLIGHT

The Sunshine Society, on Dec. 16, 1966, sponsored a christmas Dance, "Starlight Rendezvous". The June Johnson Trio provided the enchanting music. The evening was highlighted by pictures of couples taken in a miniature landscape scene with a sleigh. Everyone enjoyed themselves at Center's last Christmas Dance.

Our sponsor, Mrs. McJilton and her husband, added sparkle to the romantic evening. Her efforts in making the dance possible were deeply appreciated by everyone.

Dancers enjoying the evening!

The teachers at Center always take part in our activities. Here are Mr. Reed and Mrs. Reed doing the old "one-two" under the false starlight ceiling during their starlight rendezvous.

At the end of the day everyone is exhausted from decorating for the big evening!

Our boys think that all work and no play makes a very dull day.

RENDEZVOUS

Old men usually don't tackle such dangerous jobs. Mr. Lane said he was up high enough!
